

**2025-2026**

**School Year  
Calendar**

## Special Days & Events

At Tumble and Learn, we carefully plan special event days, themed dress-up days, and hands-on experiences to enhance your child's learning. These days are more than just fun—they are an essential part of our curriculum, helping children build social skills, confidence, creativity, and a love for learning.

 **Why These Days Matter:** Special events provide real-world learning experiences that reinforce classroom lessons. Dress-up days and themed activities promote imagination, storytelling, and self-expression. Group activities help children develop important social and emotional skills, such as teamwork, sharing, and problem-solving. Hands-on experiences create stronger connections to learning, making concepts more engaging and memorable.

### **Stay Informed:**

A full calendar of events is **ALWAYS** available at: [www.thunderelite.com/tumbleandlearn](http://www.thunderelite.com/tumbleandlearn). Please do not print and hang up the calendar. The online version of the calendar is the most reliable should things change due to unforeseen circumstances. Make it a priority to check every school day.

Reminders about upcoming events will be sent via email and posted in our private Facebook group. Teachers make an effort to create online event notifications. Please make every effort for your child to attend and remember these special days, as they are an integral part of their learning experience and they mean more to your child than you will ever know.

Tuition is structured over 10 months (September–June), we do not prorate tuition for holidays, vacations, or closures. Each month is subject to full tuition regardless of the number of school days. Pricing is amortized per school year. Missing days are not subject to makeups or refunds. Time-off and vacation days are already factored into tuition, and therefore, tuition will not be refunded or adjusted for the following:

Holidays, Illness, Vacations, Inclement weather days, Pandemics or unforeseen closures (Acts of God).

Parents will receive notifications in advance for planned closures.. While we make every effort to remain open, the preschool director reserves the right to close the school in any unsafe conditions. Check your email and our private Facebook group for all updates regarding school closures.

**Calendar and special days are subject to change at the teacher's discretion. If you have any questions please reach out to Miss Jaylyn via email. The website version of this document will be the most accurate version at all times.**
