

2023 USA ALL STAR CHEER & DANCE SUPER NATIONALS

Anaheim Convention Center 800 W Katella Ave Anaheim, CA 92802

Arrival/Meet Times: Athletes meet their coaches for their competition warm up. Athletes will need to be 100 % performance ready (full hair, makeup, and shoes) at this time. No phones / bags / Water bottles / jewelry.

Compete Times: Athletes take the stage to rock their divisions!

Athletes will perform on a stage and then immediately after their performance they will do a quick review behind the curtains with their coaches. This process takes about 3 minutes. You will pick up your athlete on the side of the stage following the review. All athletes must be picked up by an adult. We do not want any unattended cheerleaders.

PLEASE, PLEASE, PLEASE put your phones down during the competition and cheer your heart out! So many parents remain silent behind their screens. We want the judges to really feel our presence and energy when THUNDER teams take the stage! If 1 parents wants to record we understand, but we would prefer that the majority of our spectators CHEER LOUD for our amazing CHEERLEADERS!!!
