SNACK TIME

Our school is a nut free zone!

Please ensure that all snacks you send are completely free of all nuts! Please read the labels on the snack you send with your child carefully, as this includes items that may contain nuts or are processed in a nut facility.

Please make sure to pack your child's snack inside a lunch box, so they can easily carry their snack from their cubby to the classroom.

There are a couple snacks we don't allow at school. This is due to the difficulty of opening them or how easily they spill.

Please don't send:

- ⊘ Fruit cups
- ⊘ Applesauce cups
- ⊘ Yogurt cups or Go-Gurts
- ⊘ Candy
- ⊘ Things such as whole Mandarin Oranges

Instead send:

- ✓ Cut up fruit
- ✓ Applesauce Pouches
- ✓ Yogurt Pouches or Drinks
- ✓ Fruit Snacks
- ✓ Cuties or Pre-Peeled Fruit

When you get to school

- ☐ Name Tag
- ☐ Pick a Cubby
- ☐ Water Bottle
- ☐ Snack Out of Bag

-  Morning jobs help children build independence, responsibility, and confidence as they begin their school day.
-  Encouraging children to complete their jobs on their own teaches valuable problem-solving and life skills.
-  Parents can support success by offering encouragement and gentle reminders instead of completing the tasks for their child, even if you're in a hurry.
-  Praising effort rather than perfection helps children develop confidence and a positive attitude toward learning.
-  **Give your child a hug, tell them they did a great job, let them know you'll see them later, and encourage them to go play with their friends.**
