

ELITE TEAM HAIR TUTORIAL

HIGH PONY WITH CURLS

Start with clean and washed hair. Place your pony tail 4 fingers from the top of the hairline. Use lots of product to secure down all the fly away and stray hairs. Once all the fly aways are cleaned up place in your scrunchie cuff using the attached hair tie velcro the scrunchie cuff around your pony tail. Curl the pony after placing in the cuff. Curls need to be neat and clean! Use lots of hair spray so the curls stay put for the performance.
