Dear _____,

Will you sponsor me in my squad's mission to succeed by sponsoring my uniform?

With your help, I will be able to compete with the most prestigious cheerleading gyms in Oregon. My team and I have pledged to do our best and work hard for our "Mission to Succeed," and represent our gym locally and nationally. In order to compete we must purchase a new uniform. These uniforms are very expensive, but are an industry standard cost. Please support my journey. Please provide a donation along with your business card. We are encouraging all our athletes to support those who have supported us! Your business card will be displayed in our lobby to share with all our wonderful families!

Thank you for your support,

Thank you for contributing to Thunder Elite All-Star Cheerleading. Your contribution makes it possible for children in our community to participate in our cheerleading program. It is our goal to enrich the lives of children on and off the mat!
