PLEASE, PLEASE, PLEASE put your phones down during the competition and cheer your heart out! So many parents remain silent behind their screens. We want the judges to really feel our presence and energy when THUNDER teams take the stage! If 1 parents wants to record we understand, but we would prefer that the majority of our spectators CHEER LOUD for our amazing CHEERLEADERS!!!

Athletes will perform on a stage and then immediately after their performance they will do a quick review behind the curtains with their coaches. This process takes about 3 minutes. You will pick up your athlete on the side of the stage following the review. All athletes must be picked up by an adult. We do not want any unattended cheerleaders.

- Performance times and awards times are subject to change.
- All-Star teams may leave after their performance on Day 1! Prep teams will leave after their awards!
- All-Star teams may leave after their individual awards on Day 2!
- Prep Teams only compete on Saturday. Elite teams compete both days!
